The Puzzles

Word Search

Find the words from the list hidden in the grid, and circle them. Easy ones read across and down; the others can also run diagonally, always forward.

Word Scramble

The letters of each word are mixed up. Put them back in order. The hint at the top tells you the theme.

Missing Vowels

Each word or phrase has lost its vowels (A, E, I, O and U). Fill in the empty boxes to bring it back.

Christmas Code

A line from a classic Christmas book, written in code: each letter stands for a different one. A few hint letters get you started.

Sudoku and Mini Sudoku

Fill the grid so each row, column and thick-lined box holds every number once: 1 to 6 in the minis, 1 to 9 in the big ones.

Maze

Draw a path from START to FINISH without crossing a line. There is only one way through.

Logic Puzzle

Read the little story and the clues, then use the grid to work out who had what. Mark X for no and O for yes.
